

Grade 6 Immunization Requirements

Parents,

In accordance with New Jersey state law, all students entering Grade 6 must have the following booster vaccines: Tdap and Meningococcal. If your child has not received the required vaccines, please schedule an appointment with their doctor before the start of the upcoming school year. If the vaccines have already been given, please send documentation to the health office.

Documentation can be faxed to 732-493-2248 or emailed to jcadenelli@hillelyeshiva.org. Please send all updated documentation to the Health Office.

Thank you,

The Hillel Yeshiva Health Office
